

Minutes of the Meeting Held on Monday 8th October 2007.

1. There were 5 members present, and two apologies.
2. The minutes of the last meeting were approved and signed.
3. Matters arising - The grass triangles on the corner of Broomfields belong to Highways. Wayne Fogg is to follow up with Mel Sullivan about the Parish Councils meeting with the new Highways Manager. Also there is a metal pole in the middle of one of the triangles, that has a no stopping sign on it. Where did this come from??
4. The Festival, all appears to be progressing well, with plans for an event of some sort on the Saturday evening back on the agenda. Bruno has applied for a grant for PA Equipment and a Party Tent.
5. Any other business – Patrick Connelly raised an issue with rubbish that is attracting vermin (foxes and rats) adjacent to his property. This needs to be looked in to, but probably needs talking to the Parish Council about.
6. Any other business – The police were in the village today with speed camera's. This is a good sign that the new speed limit is being enforced, however what has happened to our mobile speed limit sign??

Next meeting Dec 10th at The White Horse.
